

Subject: Scenario 2 — document ready for sign-off

Dear **name**

Your '2022 revision support for learners' document for **[Level Subject]** is now ready for sign-off and it's saved in the following document library on SharePoint: **Add link**

Please check the document for technical accuracy. If appropriate, we recommend you double check the following information against other published documents:

- ◆ names of documents
- ◆ titles of topics and/or areas
- ◆ names of question papers and sections within them
- ◆ duration and number of marks for question paper(s)

Please confirm by email that you are happy to sign it off for publication.

Many thanks
