

NQ verification 2023–24 round 1

Qualification verification summary report

Section 1: verification group information

Verification group name:	Classical Studies
Verification activity:	Event
Date published:	July 2024

National Units verified

Unit code	Unit level	Unit title
H21P 73	National 3	Classical Literature
H21S 74	National 4	Life in the Roman World
H21N 74	National 4	Life in Classical Greece

Section 2: comments on assessment

Assessment approaches

Most centres used published SQA unit assessment support packs or appropriately adapted unit assessment support packs.

Assessment judgements

Centre judgements were generally in line with accepted standards. Where appropriate, supportive comments were provided.

Section 3: general comments

Most centres demonstrated a secure understanding of the assessment standards and candidates were well prepared for the assessment. Centres are reminded that for National 4 units, candidates can be awarded a pass for outcome 1 if they achieve two out of three assessment standards.

When adapting or creating assessments, care should be taken to ensure that all the relevant documentation is included with the submission. The submission should include the assessment task and the judging evidence table.
